

## STRIPCONNECTORS

<b>OBO-72/CE</b>	12 Way Stripconnector, Size 1.5-4mm <sup>2</sup> 24 Amp	\$2.63
<b>OBO-74/CE</b>	12 Way Stripconnector, Size 1.5-6mm <sup>2</sup> 32 Amp	\$3.15
<b>OBO-76/CE</b>	12 Way Stripconnector, Size 2.5-10mm <sup>2</sup> 41 Amp	\$4.37
<b>OBO-78/CE</b>	12 Way Stripconnector, Size 4-16mm <sup>2</sup> 76 Amp	\$7.35
<b>OBO-79/CE</b>	12 Way Stripconnector, Size 6-25mm <sup>2</sup> 101 Amp	\$14.92
<b>OBO-80/CE</b>	12 Way Stripconnector, Size 10-35mm <sup>2</sup> 125 Amp	\$18.70

## ENCLOSURES

<b>OBO-A6</b>	Junction Box Empty, 80x43x34mm deep, IP55	\$3.11
<b>OBO-A8</b>	Junction Box Empty, 75x75x36mm deep, IP55	\$3.20
<b>OBO-A11</b>	Junction Box Empty, 85x85x40mm deep, IP55	\$3.50
<b>OBO-A14</b>	Junction Box Empty, 100x100x40mm deep, IP55	\$4.23
<b>OBO-A18</b>	Junction Box Empty, 125x100x40mm deep, IP55	\$4.94
<b>OBO-A84</b>	Junction Box including Terminals, 4 Pole 32 Amp, IP55	\$4.80
<b>OBO-A184</b>	Junction Box including Terminals, 4 Pole 32 Amp, IP55	\$7.40

## AQUASIT - COLD CASTING COMPOUND IP68

OBO AQUASIT cold casting compound is the safe solution for electrical installations in wet and damp environments. Aquasit is inserted into an installed enclosure using a standard cartridge pistol. The transparent, amber-coloured resin based compound sets to a soft elastic finish. Aquasit is "self-healing" and can be easily removed.

Type	OBO-A6	OBO-A8	OBO-A11	OBO-A14	OBO-A18
Cartridges per Enclosure	0.4	0.5	0.8	1.1	1.4

<b>KVM</b>	Aquasit compound cartridge 250ml (includes mixer pipe)	\$76.58
<b>KVM-M</b>	Aquasit compound cartridge mixer pipe	\$4.93
<b>KVM-P</b>	Aquasit cartridge pistol (Aquasit cartridges will fit any standard pistol)	\$352.10

## RAIL SYSTEMS - ELECTROGALVANISED TRANSPARENTLY PASSIVATED STEEL

<b>2069GTP/2M</b>	DIN Rail - 35x7.5mm - 2m	\$16.17
<b>2069GTPL/2M</b>	Slotted DIN Rail - 35x7.5mm - 2m	\$18.22
<b>2069GTPL/1M</b>	Slotted DIN Rail - 35x7.5mm - 1m	\$10.02
<b>2069GTP/15/1.5/2M</b>	DIN Rail - 35x15x1.5mm - 2m	\$36.45
<b>2069GTPL/15/1.5/2M</b>	Slotted DIN Rail - 35x15x1.5mm - 2m	\$40.81
<b>2069GTP/15/2.2/2M</b>	DIN Rail - 35x15x2.2mm - 2m	\$46.71
<b>2069GTPL/15/2.2/2M</b>	Slotted DIN Rail - 35x15x2.2mm - 2m	\$57.08
<b>2064GTP/2M</b>	C Type Rail - 32x15mm - 2m	\$24.62
<b>2064GTPL/2M</b>	Slotted C Type Rail - 32x15mm - 2m	\$26.07
<b>46277GTP/2M</b>	"Mini" DIN Rail - 15x5mm - 2m	\$16.03
<b>46277GTPL/2M</b>	Slotted "Mini" DIN Rail - 15x5mm - 2m	\$16.75

OBO Bettermann are able to help you select the right product for your project. Their professionally laid out catalogues include a planners section which assists with important basic information. Their solution guides give the project designer important information concerning specific applications. Below are the different solution guides available - please ask us to send you a copy today.

Solutions for  
Data Centres

Solutions for the  
Food Industry

Solutions for  
Health Care Sector

Solutions for  
Power Stations

Solutions for  
Ship Construction

Solutions for  
Solar Systems

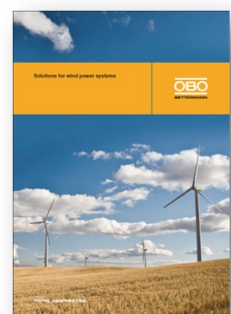

Solutions for Airports  
and Railway Stations

Solutions for the  
Manufacturing Industry

Solutions for  
Commercial Buildings

Solutions for  
Wind Power
